## Letter of recommendation - IR BUD Ireneusz Gołowski

Ostseebad Nienhagen, 14.12.2020

The company SLT Mobile Straßen GmbH provides full-service mobile temporary road systems in Germany and Europe.

From June 2020 to November 2020, the company IR-BUD Ireneusz Gołowski was subcontracted by us for the wind farm project of wpd construction Polska sp.z.o.o "WP Słupca".

The following tasks were performed by IR-BUD Ireneusz Gołowski company:

- installation of the delivered SLT aluminum panels
- Supervisor activities on behalf of SLT Mobile Straßen GmbH for communication in the local language.

All assigned tasks were performed to our full satisfaction. The provided work performance completely met our expectations and our standards in terms of quality, speed and flexibility.

We can highly recommend IR-BUD Ireneusz Gołowski as a reliable partner.

Special thanks to our main contact person Emil Krolak!
